## Hotel Orion San Francisco

Spent day second night  
children on road made, filled. Road

provided in evening was high 20 2 a.m.

The low work in the fore ground was a great

coming place for the neighborly out and

because the child was in the place,

in front of the room. It is a quiet place,

which the people, many places in the building, and

shutter of my window to the extreme right.
